

MORNINGSTAR ONLINE SCHOOL

In collaboration with Opportunity School

"At Morningstar, we honour your past, support your present, and prepare you for the future."

Created by veteran educators with a deep commitment to fostering academic excellence and cultural integrity in a High School environment.

Rooted in the belief that Indigenous students thrive when they are connected to their heritage while earning their OSSD to navigate a changing world.

Our mission is to create an inclusive and supportive online High School learning environment where every student feels valued and empowered.

Collaboration extends to Indigenous communities and support systems, ensuring that education remains a shared responsibility.
